Help us grow!

Are you looking for an opportunity to make an impact on the children and families of our community?

We are **The Tree Fort Children's Museum**, a volunteer run, nonprofit organization located inside the Obra Project in downtown Moses Lake. By partnering with The Tree Fort Children's Museum, you can impact lives every day by helping provide a free, safe, educational, and creative S.T.E.A.M\* focused space for children and their families!

Our goal is to have a permanent home in Moses Lake capable of serving children of Grant County and the greater Columbia Basin. It is with this growth in mind that we have built our sponsorship program. As a sponsor, you have the opportunity to directly support our *Play for Free Program* by covering the rental cost of the space, exhibits, supplies, and equipment. By completing the attached sponsorship form, you will be contributing to the vibrant growth in providing a unique place for families to play, learn, and explore!

We look forward to partnering with you as we grow!

Sincerely,

*Mai Houvener*
